WHO: Youth in grades K-5 through 12 & Parents
WHERE: Webster Stanley Middle School (915 Hazel Street, Oshkosh)
WHEN: Saturday, February 2, 2019 ~ 8:30 a.m. – 12:00 p.m.
COST: $5.00 per person, includes session 1 & 2 workshops, fees, and a snack

(The remaining 4-H Fun Day cost is supported by the 4-H Leaders’ Association)

Winnebago County 4-H Fun Day is an excellent example of youth and adults working together in the 4-H spirit. The mission of 4-H Fun Day is to promote all of the opportunities 4-H has to offer, provide experiences to try new projects, and offer the chance for adult and teen leaders to share their knowledge.

Feel free to invite friends to join you & register too!

7:30 a.m. – Doors Open for Presenters
8:30 – 9:00 a.m. – Registration
9:00 – 9:15 a.m. – Welcome!
9:15-10:25 a.m. – Session 1
10:25-10:40 a.m. – Break & Snack
10:40-11:50 a.m. – Session 2

Indicate your **TOP 3 CHOICES** for each session on the Registration Form. You will only be attending 1 class per session.

**Session 1 (9:15 – 10:25 a.m.)**

1A. **Slime Science** – Explore the unique science behind slime through fun hands on experiments, some of which you get to take home! We will explore a few different kinds of slimes, and talk about what makes them different. Instructor: Meghan Numrich LIMIT 12

1B. **Rocketry for Beginners** -- 4Hers will construct simple paper airplane designs and an air-powered paper rocket to learn aerodynamics of flight. The class will also learn about the basics needed for launch of their own model rocket, including supplies, types of rockets and safety. (if possible, the class will also launch a rocket outside) Instructor: Steve Thiemke LIMIT 10

1C. **The Parts of Plants We Eat** - Flowers, seeds, stems, leaves, roots - oh my! Let’s build and snack our way through our foods botany. This fun session is great for anyone interested in horticulture, plant science, flowers or fruits and vegetables. Instructors: Master Gardeners ~ Mary Moosemiller & Melissa Weyland

1D. **Basic Backyard Chicken Keeping** – Thinking about raising chickens? Join us and we will help you in choosing, feeding and caring for your backyard chickens. Make & Take a recycled feeder and nest box! Instructor: Juanene Johnson YOUTH 12 & UNDER MUST BE ACCOMPANIED BY AN ADULT - LIMIT 15

1E. **Fleece Hat** - Sewing is fun when you have bright fabrics, easy designs and you make something for YOU! In this session you’ll learn how to operate a sewing machine, use your presser foot for a guide and make a hat with a tassel and brim from fabrics you choose. Instructors: Chris Kniep & Anita Eichman YOUTH 10 & UNDER MUST BE ACCOMPANIED BY AN ADULT - LIMIT 8

1F. **Leather Craft** -- You will have a chance to explore many ways to work with leather, stamping, embossing, branding, painting and beading. You’ll make a bookmark, bag tag, wristband. Instructor: Lori Walker LIMIT 10

1G. **LEGO Robotics** – We will build, explore, and program introductory robotics using LEGO WeDO kits. Instructor: Abigail Petersen LIMIT 16

1H. **Acrylic Painting** – Like the Art Spot in Oshkosh, we will all paint a simple canvas painting together that is sure to pop! Instructors: Jessie Giddings & Jaime Nelson

1J. **Build a Hanging Birdfeeder**– Youth will construct a hanging birdfeeder. Supplies will be provided. Instructor: Jeff Alaire LIMIT 10
1K. **Decorative Picture Frame** - Show off your memories by creating and decorating a picture frame! This session will allow you to gain some new crafty skills while showing your creative side. Instructor: Nicole Tobin **LIMIT 20**

1L. **Tissue Paper Painting** - Tissue paper can be used for more than just wrapping gifts. Attend this session and you will learn how to paint on canvases with tissue paper. Add special embellishments to make a design of your own. Simple yet creative and personable project for everyone to enjoy! Instructors: Collegiate 4-H **LIMIT 15**

1M. **Soap Carving for Beginner Woodcarvers** – Do you want to be a woodcarver? Practice on soap and learn tips and tricks! Instructor: Gene Bengel **LIMIT 10**

1N. **UW-O Gymnastics** - Want to become a gymnast, improve your coordination for other sports, or just have some fun? Join us, Amira Ali and Naya Haynes, collegiate gymnasts at UW-Oshkosh, as we demonstrate some of our moves, answer any questions you have about life as a college athlete, and work with you on some of the basics yourself. Instructors: Amira Ali & Naya Haynes

1P. **Quick Drawstring Bag**! – Need something to throw your stuff in when you’re on the go? A custom drawstring bag could be just the thing. With just two seams and a little hand sewing, this project is perfect for anyone with some sewing experience or none at all and you! Along with fun prints, the drawstrings bags will be washer and dryer safe. And if you don’t need another bag, it could be a sweet, hand-made gift for a loved one, friend, or teacher. Instructor: Adia Kolell **LIMIT 20**

1Q. **Math Art**! – COMPASSES & PROTRACTORS & LINES ~ OH MY! Join us as we create an amazing art project (you can take to Fair) using math and other fun stuff. Instructor: Sarah Thompson **LIMIT 10**

---

**SNACK!**

**BREAK & SNACK (10:25 – 10:40 a.m.)**
