Ridgeway 4-H Band Becomes Winnebago County 4-H Band!

The Ridgeway 4-H band was such a success last year that we have decided to spread our wings and form a Winnebago County 4-H band! We will be playing 2-3 pieces on the Spotlight Stage at the Winnebago County Fair.

Any and all band instruments are invited to join! Keep in mind that the musician must be 6th grade and up (adults are welcome to play too!) and able to practice the music on own at home. We will have combined rehearsals during the summer and will do our best to fit your schedule.

If you would like to join the band, please email lindadums@yahoo.com so we can select music accordingly. There may be a small fee to help offset the cost of the band music.

Thank you! Hope to see you over the summer!

4-H Basket Raffle

It’s time to put together baskets for the 4-H Leaders’ Assoc. annual basket raffle held at the 2019 Winnebago County Fair! We need the support of ALL 4-H clubs to make this year’s raffle a success. Funds raised through the basket raffle help support 4-H in Winnebago County, including county-wide programs, educational travel, camps, & scholarships.

Anyone can donate a raffle basket! All clubs are encouraged to donate a theme basket(s) (bath/spa, date night, child-themed, holiday, sports, gardening, camping, birding, cooking, grilling, artist, etc).

http://www.fundraiserhelp.com/500-silent-auction-basket-ideas.htm

⇒ Don’t forget to contact local businesses or individuals. All are welcome to donate baskets to support 4-H!
⇒ Can’t donate an entire basket? Individual items can be combined with other items or placed in baskets by the Basket Raffle Committee.

All baskets must be:
- In a container of some kind – basket, tote, bucket, cooler, etc.
- Wrapped in cellophane or a clear plastic bag. Wrapping the basket will keep things clean and help ensure that the contents stay in baskets while on display at the fairgrounds.
- Include a clearly displayed card/sign:
  ⇒ listing items in basket and
  ⇒ thanking any donors
- NO perishable items, alcohol or tobacco products

Baskets must be dropped off at the Extension Office by noon on Friday, July 26th.

Volunteers Needed – We need volunteers to staff the raffle display table during the fair. Take a break during the Fair inside the air-conditioned Expo Building & help support our 4-H youth!

If you have questions or would like to volunteer please contact Kay Lettau at lettau@new.rr.com or (920)419-4849.

Hello Goat Project Members!

I hope everyone has been having a great spring and is ready for another fun year with the Winnebago County Goat Project!

For those of you who are new to the Goat Project, my name is Jen Frank and I am the Goat Project Leader for Winnebago County. It is my job to work with goat project members, provide educational resources, answer questions, and help youth prepare to show their goats at the Winnebago County Fair.

I have reserved a room at the Coughlin Center (625 E County Road Y, Oshkosh) for **Thursday, June 6th at 7 pm** for a County Goat Project Meeting. New members and others who have questions or concerns are encouraged to attend! Documentation requirements for the Fair (Scrapies Tags/Premise ID) will be covered that this meeting. Do not worry if you cannot attend -- I am happy to answer questions by email or phone or to meet with families individually.

I have received feedback that there is interest in an educational program covering goat breeds; their characteristics, similarities and differences, history, etc. If there are any goat project members who would be interested in helping to plan this program, please let me know!

Goat Project members are encouraged to check out the Winnebago County Goat Project Facebook Page. There you will find resources and information that may answer some of your questions. There are some instructional videos that demonstrate goat showmanship techniques available on the page.

NOW Club Meeting Minutes
Our April meeting was called to order at 6:40 PM, the American pledge was led by Mark and the 4-H pledge was led by Mckennah. We heard the March secretary's report and nothing for the treasurer's report so same balance of $566.72. For old business we talked about pizza making and the tack sale. For new business we discussed and chose to do the Becks Meat fundraiser and chose to continue to do fair decorations at at the Schniders. Emma motioned to adjourn the meeting and Mark second at 6:58 PM.

Golden Oaks Minutes
The Golden Oak 4-H meeting held March 5th, 2019 was called to order at 6:00 pm. This meeting was held at Eldorado Lanes. Sarah made a few announcements. Please remember that there is an All County meeting on April 23rd and fair trophy sponsors are needed. We did not have a formal meeting but Debbie and Diane taught us about bowling etiquette and form. Some of the things we learned were that you shouldn't wear wet shoes when you are bowling; no food should be in the bowling area; don't swing the ball backwards because it could fly of your hand and hit someone; when you release the ball, your hand should be in a "shaking hands" position. After the lesson, we enjoyed pizza and bowling. Great job everyone!

We will not have an April meeting. Enjoy your break!

Emily Hunter, Secretary
White Cedars Club Donate to the Boys & Girls Club Wet Hair Program

For the past several years, White Cedars has applied for a Thrivent Action Team grant to do community service. White Cedars youth members decide what community service project they would like to support and work to carry out the project with the help of Mrs. Jennifer London, a club leader and Thrivent employee. In the past the club has provided Blessing bags and backpacks to the Day by Day Warming Shelter in Oshkosh.

This year, White Cedars 4H members chose the Wet Hair Club this year to make a difference with students their same age by assembling shower caddies for the program. After making the decision to support the cause, members secured a list of needed items from the Boys and Girls Club, developed a Google Doc outlining the needs, signed up to donate items (shampoo, conditioner, detangler, body wash, hair ties, deodorant, socks, band aids, nail polish remover, combs, toothbrushes, floss, socks, underwear, feminine hygiene products, etc.) Members brought over 350 donated items to a club meeting and worked to assemble the shower caddies in teams. The Thrivent donation purchased the caddies and additional supplies to fill them FULL. Overall, the members assembled 25 caddies! 10 for boys, 10 for girls, and 5 being for the little kids.

The Club’s Wet Hair program helps kids, age 6-18 meet their personal hygiene needs and learn skills to become more independent. Boys and Girls Club youth members who are in the program are able to shower and wash their clothing at the Club while learning about healthy hygiene habits. They also receive clean clothing and hygiene products as needed.

This was a great project to support the basic needs of kids our age in our community.

Doing a community service project? Invite friends outside of 4-H to join in and help!
Raise Your Hand!  
Vote now to support 4-H in YOUR community!

Only one in three kids say they have the skills to handle what life throws their way. If we don’t give our kids the opportunity to succeed, we all fail. That’s where 4-H comes in — programs that meet youth and families where they live, serve community needs and build critical life skills young people need to thrive.

You can help by raising your hand to support kids in your community! Vote now and your state’s 4-H program could win $5K, $10K or $20K to help more young people do, learn and grow.

Join us today and Raise Your Hand, because every child deserves a chance to succeed.
