Hello! My name is Carol Radloff and I am the leader for Plain V-U. Here is some basic info about our club:

**Age Group:** Our club has a wide range of ages from K5-grade 12

**Current Number of Youth in Our Club:** 46

**When and Where We Meet:**

We meet the first Monday of the month at 7:00pm at the Fisk Firehouse

**Our Most Popular Project Areas:** Our projects in our club range from all animal species including sheep, goats, dairy, horses, beef, swine, rabbits, and ducks. Our members are also involved in many projects such as photography, wood working, art, and many more.

**Social Outings and Field Trips:** Our club does a fall hayride, ice cream social in June, potluck/kickball event in July. We also have guest speakers monthly and we participate in the [Winnebago County Fair](#).

**Why I Think Our Club is Special:** We have numerous experienced leaders and our members are involved in a wide variety of projects which enables us to help the younger youth.

**Are There Extra Fees Required to Join Our Club?**

We collect dues in January of \$15.00 per member to pay the \$10 (annual) Leaders' Association Fee AND our club fee. The club fee is used to pay for the members fair entries, kids passes for the fair, and other club activities during the year.

**Other Information:** Our club has one leader and two co-leaders (Becky Duchatschek and Jennifer Crowley) and they are here to help members through their 4-H career.
