- This Year's 4-H Memories (optional), i.e. photos, news clippings, etc. from club activities, county events (pizza making, camp) etc.
- Parent/Guardian Comments
- Organizational/Project/Youth Leader(s)' Comments

My 4-H Story

(Tell about this past 4-H year, club outings, 4-H trips, fundraisers, fair, etc.)

Year in 4-H: 8

Grade Completed: 7th

Hello my name is Evan Numrich. I am from Ridgeway 4-H Club and this is my 8th year in 4-H. This year I have done many things in 4-H. At the club level I have been at all the club meetings and been at many of the project meetings my club has held. I even led my own project meeting and led a community service project that my club does as well. Some of the project meetings were making cream puffs, meal day, tile with sharpie, tape painting, board and brush and many more.

At the county level I was a 4-H ambassador and I walked in parades to help promote 4-H. I also went to some project meetings at the county level. The meetings were to make a baby yoda pillow, microwave truffles, rocketry and among other things. Also at the county level I put many things in the fair which are showcased in this record book.

At the state level there was not that much I could do. Due to covid I still could not go to space camp. The one thing I did do was put entries into the state fair. Also my family and I went to the state fair for a day.

4-H has helped me grow by doing lots of things more independently. Making my record book, doing lots of fair

projects, being confident in speaking, and having more responsibilities contributed to my growth. Now you know about all the things I did in 4-H in the year 2020-2021.

One thing I didn't do this year that I really want to do in 4-H is . . .

attend Space Camp

One specific 4-H goal I hope to achieve is ...

have a county fair!

I plan to achieve this by...

attending the fair if it happens.

Participating in the activities beyond the club or/and county has benefited or helped me learn...

Fall forum has helped me learn lots of different projects and meet people around the state.

ARTS & CRAFTS PROJECT RECORD FOR 20 20-21

Specific Arts & Crafts Projects: any other arts and crafts

Things I plan to do and learn this year in this project are: (complete this box between Jan. 1 — May 1)	Check When Done
Painting board	X

List Costs: tools, brushes, supplies, tuition, framing, finishing, etc.		
Date	Item	Cost
7/29/21	Panting board	\$30.00
4/17/20	Sock bunny	\$5.00
7/23/20	Sock gnome	\$5.00
7/23/20	Gnome ornament	\$1.00
3/14/21	Tape painting	\$5.00
6/19/21	Tile with sharpie	\$7.00
6/30/20	Tie dye face mask	\$3.00

Ways You Received Help This Year Include:
(check all that apply)

Exhibits in This Project:

X	Attended project training offered by my club
	Attended project training offered at the county level
	Attended project training offered at District or State Level
	Guidance from 4-H Leader/4-H Club
X	Guidance from Parent/Guardian/Other Adult
	Reading and use of 4-H project guides
	Reading and use of literature, books, audio visual resources
X	Own knowledge
	Help from friends/other youth
	Other (describe)

Item	Placing
<small>(additional page may be added)</small>	
Painting board	1st
Sock bunny	3rd
Sock gnome	2nd
Gnome ornament	2nd
Tape painting	1st
Tile with sharpie	1st
Tie dye face mask	1st

Use this form for Arts and Crafts, Painting, Folk Arts, etc. Leathercraft, Block Printing, Metal Enameling, Drawing and

Articles completed or worked on this year: (add additional sheets if necessary)

Item/Title	Description	Hours to do	Estimated Value
Painting board	It is a big piece of wood that I painted into an American flag	2hr	\$30.00
Sock bunny	A sock that is then shaped into a bunny with rice inside	30min	\$5.00
Sock gnome	A sock that is filed with rice then made into a gnome	45min	\$5.00
Tape painting	A painting that we painted with tape and took it off after it dried	1hr	\$5.00
Tile with sharpie	A tile I drew on and then used rubbing alcohol to make a design	1hr	\$7.00
Tie dye face mask	A mask that I used blue tie dye and dyed it blue	30min	\$3.00

Describe framing/finishing/mounting used for your items. Who did it? How did you decide what was appropriate?

NA

List basic supplies/equipment owned at the end of the year:

Paints, socks, sharpies

List at least 2 arts and crafts related careers that you can identify?

Artist

House painter

Are you interested in a career related to arts and crafts?

Yes _____ No X Maybe _____

Are your family or friends interested in this project with you? Yes X No _____
If yes, what do you do together?

We have painted together a lot.

Project Worth Statement

Has this project been worthwhile to you? Why or why not?

Yes because I get to create very cool and, unique, arts and crafts.

Tile
With Sharpies
Meeting

fair

INDIVIDUAL ARTICLE RECORD

(Choose 1 item to report on in this project, please include pictures of all items on additional page.)

Item: sushi board
 Approximate hours to make: 6 hours

Cost to make:	
Wood	\$ <u>27</u>
Hardware (nails, screws hinges, etc.)	\$ <u>NA</u>
Sandpaper	\$ <u>10</u>
Finish (paint, varnish, oil, wax, etc.)	\$ <u>1</u>
Other(s) (list)	\$ _____
_____	\$ _____
_____	\$ _____
_____	\$ _____
Total Cost	\$ <u>38.00</u>
Estimated Value	\$ <u>180.00</u>
Estimate of Comparable items if purchased	\$ <u>230.00</u>

What did you find most enjoyable in making this article?

Seeing the finished project.

What was the most difficult part of making this article?

Sanding the bottom of the board.

Explain why this particular item was made & where the pattern was obtained:

It was made to serve food and we found the pattern in a book

List at least 2 woodworking industry related careers that you can identify.

- woodworker

- Furniture maker

-

Are you interested in a career related to the woodworking industry?
 Yes No Maybe

What kind of wood did you use on this project?

Curly maple and black walnut

What kind of finish did you apply and why?

Danish oil because it is a food safe finish

What project related skill(s) would you like to learn or improve?

I would like to learn how to build furniture.

Project Worth Statement

Has this project been worthwhile to you? Why or why not?

Yes, because I got to build lots of things my family uses.

Easy Microwave Truffles

Taught by Chelsy Cegielski

Time: Feb 11, 2021 07:00 PM Central Time (US and Canada)

Join Zoom Meeting

<https://uwmadison.zoom.us/j/99715371292?pwd=SlVtdFlWRGd6YTZHQm5reHF4L3prQT09>

Meeting ID: 997 1537 1292

Passcode: 946793

Truffles Box Pick Up: February 10th from 4-6PM.

Please drive to the doors on the left side of JCPP (across from the dish antenna). Call Dana's mobile #920.420.0481 when you arrive.

Your box (bag) will contain the ingredients and muffin papers for the truffles. Some of the ingredients require refrigeration!

Ingredients:

½ cup finely chopped pecans (toasted) (optional)

1 - 12oz bag chocolate Chips

¼ cup butter

1/3 cup heavy whipping cream

¼ tsp. almond or vanilla extract (optional)

To toast pecans: Place the nuts in an even layer on a microwave-safe plate or dish (a glass pie plate works well). Microwave for 1-minute intervals, removing the plate and tossing in between (plate will be hot so take care!), until the nuts are sizzling, golden, and toasted. The exact time will depend on microwave power/watts as well as the type/size of the nuts.

Place toasted pecans on the bottom of foil or paper cups. Combine chips and butter in the microwave for 1 minute, stir. Heat at 30 second intervals stirring in between for a total of 1½ to 2 minutes or until melted. Remove from microwave and stir in cream and almond/vanilla extract. Pour into prepared muffin tin lined cups. Top with pecans, candy canes, coconut, candies, etc. Refrigerate until set or until used.

Makes about 3 dozen.

Tools needed:

microwaveable mixing bowl

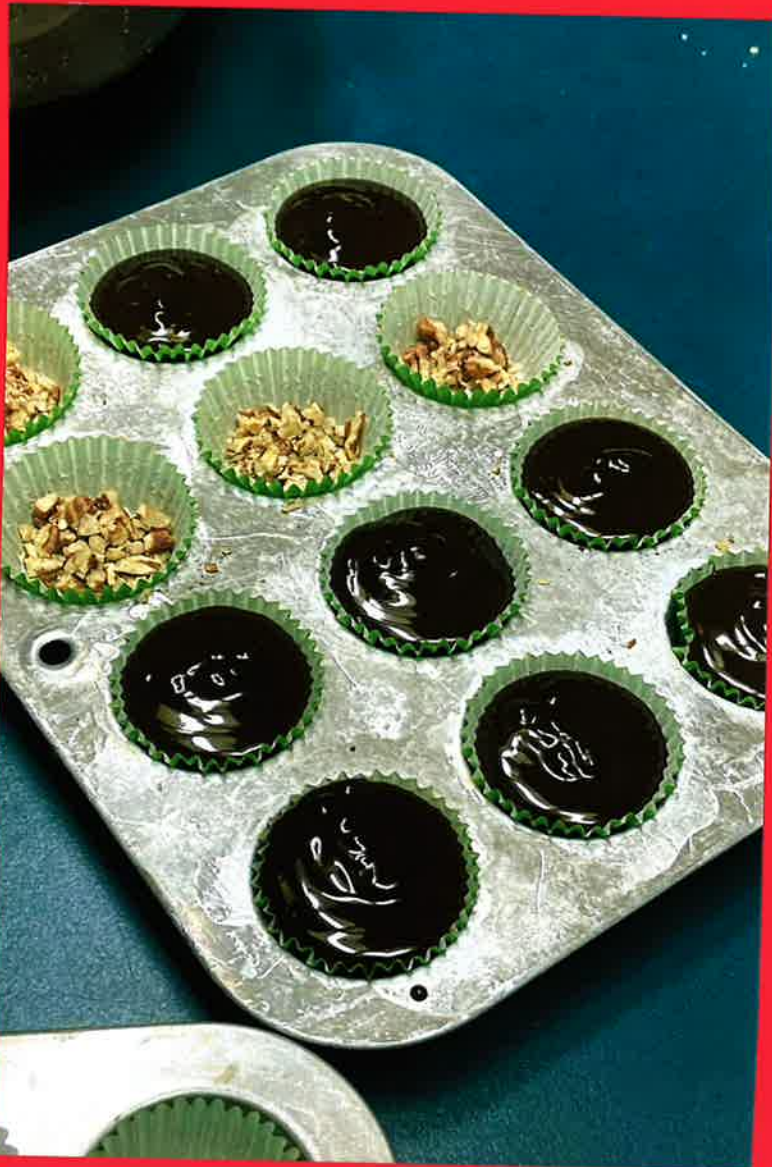

mini muffin tin

Cookie scoop, pourable mixing bowl, or 1/3 cup measuring cup will work too!

1/3 cup measuring cup,

spatula

Microwave

4-H Projects Days: Make a Paper Rocket with Steve Thiemke

Sunday, May 2 at 1pm

1) Your kit contains a PVC pipe, fin/nosecone paper, body tube paper & Fair rocket. Cut out 3 or 4 triangle fin patterns. It'll be up to you to decide how many your rocket will use, or you can experiment! Cut out the circle nosecone, as well as removing the triangle 'slice' as shown.

2) The unmarked paper is your body tube. Lay the paper as shown then roll the paper onto the PVC pipe. Tape the paper secure, allowing for the PVC to move freely within the paper tube.

3) Use tape to secure your paper fins to the body tube. Try to evenly space the fins around the tube to improve flight

4) This is the trickiest part! Fold the nosecone paper at the slice. You want to create a cone-shape, of which will fit over the end of your body tube. Tape the nosecone into the cone shape.

5) Use a small ball of Play-Doh or tin foil to create weight in the nose cone. Press the Play-Doh firmly in place, or for tin foil, add tape inside the nosecone to secure.

6) Place the nosecone on the body tube on the opposite end of the fins. Use tape to secure the nosecone to the body tube.

7) Time to decorate! Use markers, stickers or anything you choose.

8) Slide the PVC pipe into the open end of the body tube. 3, 2, 1...LAUNCH! Use your breath to blast the rocket off the PVC pipe. Or for greater distances, grip & hold the PVC with your hand then FLING the rocket through the air!

9) Experiment! Is there a difference in flight by using 3, 4... or 2 fins? What happens if you do not use nosecone weight? Use different launch angles.

TIPS for your Fair rocket: Use wood glue & add 'fillets' to the fins & launch lug. Tube spirals can be hidden with putty or wood filler. Be patient with the decals. Perhaps we can launch your rocket at the fair or sometime this summer!

4-H CAMP WILDERNESS - 2021

Norbert Rich School Forest

(4970 Ginnow Rd, Omro)

June 28th: Grades 3-5 (8AM - 8PM)

June 29th: Grades 6-8 (8AM - 9PM)

Cost \$35 per camper

Download Registration Info at: <https://bit.ly/3enWAN6>

Deadline to Register: May 19, 2021

Questions?

ABOUT 4-H CAMP

4-H camps provide youth with the chance to meet new people, have fun, and experience the great outdoors. 2021 4-H Wilderness Camp will be a day-camp experience for youth in 3rd-8th grades. Campers learn about the natural world, themselves and each other. Parents will be responsible for their child(ren) transportation to and from Norbert Rich School Forest located near Omro. Activities include hiking on irregular terrain, general sports, nature, drama, arts & crafts and campfire time.
