Winnebago County Youth Leadership Awards

The Winnebago County Youth Leadership award was established in 2013 by the 4-H Leaders' Association to recognize youth leaders who went above and beyond during the year and who give selflessly of their time and talents to help others. These youth help make the Winnebago County 4-H Program a success! Thank you for all you do!

Arianna Buehring ~ Golden Oak

Arianna has been the Golden Oak 4-H Club treasurer for two years. She (and her family) have been instrumental in improving and running the fundraising games at the Nekimi Mud Run. She has also introduced our club to serving at the Oshkosh Warming Shelter which has been an enlightening and entertaining endeavor. She is a driven, dedicated and knowledgeable young person who exemplifies the ideals of 4-H

~Jesse Hunter

Hailey Domke ~ 4-H Friends

Hailey has been an incredible youth leader. She has led multiple educational workshops, demonstrations and clinics for the dairy project, and served as an officer for her club. She also attends Area Animal Science Days where she has won various educational contests. Hailey is currently a youth leader with the Ambassadors and has also been on the Youth Advisory Committee. She has provided many hours of support for the dairy project (and other projects) during the fair with set up and take down and everything in between. Hailey is no stranger to hard work and has a sweet and kind demeanor. Younger youth look up to Hailey as a mentor!

~ Dana Berger

Melanie Zillges ~ Winchester

Melanie is a Junior at Winneconne High School and President of the Winchester 4-H Club. Melanie is a very responsible leader at the club and county level. Every year, Melanie has taken on new challenges and continues to grow as a leader. She is very welcoming to members of the club. She was a camp counselor this year and has helped many dairy project youth become better showman. Melanie is also an active member of the Ambassadors and she walks in the summer parades and assists with float set-up and clean-up.

~Chris Lettau and Sarah Thompson

Madison Oeftger ~ Ridgeway

Madison Oeftger, currently Vice President of Ridgeway 4-H, is a leader in 4-H. Madi continues to find ways to help others and lead in our club and beyond. Madison found that over our time with COVID she could be creative and offer learning to others. Madison began offering project meetings like edible cookie dough, towel art, and recycled craft making. Madison used different experiences like Fall Forum to learn new skills that she could then share with others. She led a fall crafts activity for our club, designed holiday party games for our December meeting, volunteered as a 4-H summer camp counselor for regular and Cloverbud camp and served volunteers at a thank you luncheon. As our Vice President this year, Madison was asked to introduce demonstrators and track which members had completed their demos. Madison designed a spreadsheet and even included a description of each demonstration which made it well-organized and easy to review. Madison also took a risk and tried out for Wisconsin 4-H Drama Company. She was able to be flexible when the details of that experience were modified and during those changes, she always used grace and a smile to see her through. I enjoy working with Madison on a variety of tasks and know that she will continue to lead well for our club as our next President.

~ Jenny Numrich

Youth Challenge Award

(formerly I Dare You)

The Challenge Award is offered to 4-H members who are in middle school who are “emerging” leaders. This is a youth who has not yet become a leader – but has the potential to do so in the upcoming year. This award may be the nudge needed to inspire the youth for leadership roles within 4-H.

Mariana Oeftger ~ Ridgeway

Mariana Oeftger is an active member of Ridgeway 4-H Club. She has served as an officer of her club and has helped out with the volunteer appreciation luncheon and Cloverbud Camp. Mariana also enjoyed being a member of the Ridgeway Theater Troop, performing on the Spotlight Stage at the county fair. With her cheetful attitude, smiley face and somewhat shy manner, I would love to see her grow her leadership skills and challenge her to serve on a county committee, become a camp counselor, lead project workshops and mentor youth.

~ Dana Berger

Friend in 4-H

A 4-H individual or group making outstanding leadership or service contributions to 4-H. The “Friend in 4-H” must be currently enrolled as a leader or member.

Jennifer Oeftger

Jenny has been a leader in our program for four years and has served in a variety of roles both with Ridgeway and at the county level. She has helped with Cloverbud Camp the past two years and has been an amazing and invaluable chaperone both years. Jenni served on our Summer Camp Workgroup this summer and worked closely with the Arts and Crafts Counselors in the development of lessons plans and teaching. Jenni is also involved with all activities at the fair and has offered her classroom at Shattuck Middle School as a pilot for our ChickQuest program this fall. She is an amazing leader!

~Sarah Thompson

Friend of 4-H

A person or group outside of 4-H making an outstanding contribution to 4-H leadership, service, or other support. The “Friend of 4-H” is not currently in 4-H.

Steve Binder

Steve is a Winnebago County Board Member and serves as chairperson of the UW Education, Extension and Agriculture Committee. He is very supportive of all the work we do in Extension and is willing to “go to bat” for all of our programs. He worked hard behind the scenes to get the current contract with the county parks department set up for our use of fairground facilities. Steve also regularly supports our program financially with pizza sales and other donations. We are lucky to have him on our Extension Committee and as a fan of 4-H.

~Sarah Thompson

Volunteer of the Year

An individual who has done an exceptional job as a volunteer in the past year.

Sara Kolell - White Cedars

Sara has been an active 4-H leader for eight years. In addition to participating in club and county programs, she worked very hard to resurrect the 4-H Clothing Revue. Working with Sarah Thompson to create a two-county revue, she had the idea to open it up to additional counties. When Covid hit, she helped to create a state-wide zoom version of the Clothing Revue as well as organize participation at the state fair level. This year’s in-person fashion revue included 5 counties. Thank you Sara on

Alumni of the Year

Recognizes a former Winnebago County 4-H member who has gone on to use 4-H skills in their success. Current contributions to 4-H may help to identify the candidates but are not required for selection.

Amy Jo Domke

Amy Jo is a Winnebago County 4-H outstanding graduate with 16 additional years as a 4-H leader volunteer and service on the County 4-H Board of Directors. She currently serves as club organization leader for the 4-H Friends Club in Oshkosh. During difficult Covid years and one year without a county fair she managed to keep the 4-H Friends Club alive and functioning in new ways. I have personally observed her strong ability to help members complete speaking and demonstration expectations at the club level, especially those shyest members who were very fearful about speaking in front of groups. Through her encouraging questions and comments she helped them get past their fears.

Amy Jo's ability to serve as a positive role model and to transfer knowledge learned as a 4-H member help make her an effective 4-H volunteer leader. Her leadership support of club officers results in growing 4-H membership, members who continually participate in county 4-H activities and parents engaged in many club and county opportunities.

Amy Jo also serves as a key leader for the county dairy judging and dairy quiz bowl, besides being a Dairy Conference Cream of the Crop leader. The skills and knowledge gained in the dairy project have been carefully and significantly shared with other 4-H members. She has also participated in the Around the Lake Conference.

In addition she and her club are active in pizza making, officer training, Dipper and farm tours. Obligation to serve others learned while a member of Winning Wolves 4-H Club remain important to her as she contributes within and outside of 4-H.

~Jim Barthel

Lifetime Volunteer Award

Recognizes a Winnebago County 4-H Leader who has contributed many years of service to the 4-H Program.

Kathy Wunrow - Lakeshore

Kathy has been a club leader for many years for a club that was one of the first in our county to assemble: Lakeshore 4-H Club. She has not only volunteered her time to her club but has also faithfully helped out each year with sauce-making during pizza making. Kathy has helped to educate and support youth in the cat and small animal projects as well as serve as a right-hand-lady to Marion Kuharski during Cloverbud judging at the fair. Kathy Wunrow grew up in the 4-H program and has dedicated 33 years as an adult volunteer.

4-H Leaders' Board Election Candidate Bios

Nancy Pieper

To me, 4-H is simply one of the best programs out there for the whole family. My daughters were 4-H members. It was wonderful to see them grow and learn so much through projects and county activities. They traveled and made friends all around the country. It was then that I became a leader in several projects and have been for over 25 years. Back then I was on the Leaders' Board, holding the offices of secretary and president.

Last year I started a new 4-H club which the members chose the name County Line 4-H Club. With all that goes with leading a club, I feel that being a part of the Leader's Association would be helpful in knowing all that is going on in the county and/or helping with the decisions that go along with those activities.

Lisa Dautes

I am running for the leaders board because I would like to become more involved in 4-H. I have been involved in 4-H nearly all my life. I served on the leaders board as a youth when I was in 4-H and now I would appreciate the opportunity as an adult. My children are now starting their second year in 4-H. I am excited to share the great opportunities and experiences that 4-H provides for youth with my children.

Volunteers are crucial to the success of our programs and our youth! I am eager to work with other leaders and youth in the county to help ensure 4-H has what it needs to continue to provide these awesome programs!

Joe Kuehnl

Hi. I've been a 4-H Volunteer Leader for 16 years with 12 of those years being on the Leaders' Board. I credit 4-H with making my son a better leader and person. With my time spent with 4-H Ambassadors, I have seen growth in many of the youth. 4-H has been around since 1902 and to get better recognition for the public to see is a challenge. With its long history, we need to take those that have brought it this far and bring them forward to work with the future ideas.

I have been a chaperone at summer camp for the last few years. In my spare time I make quilt boards as a fundraiser for 4-H. I believe it is a great program for youth. I would like to help move it in that direction. Thank you.

4-H Leaders' Board Election Youth Candidate Bio

Madison Plungy

Hello my name is Madison Plungy, and I am running for my 3rd year as a youth on the Leaders Board. I am a Senior at Neenah High School this year and have been in 4-H for 6 years. I enjoy being able to work and improve on my leadership skills at the county level and bring those skills back to the club level. I would love to be able to continue to give the youth in 4-H a voice and to continue giving a youth's perspective on issues that the Board brings to the table. Thank you for reading my bio!
