# YOUTH IN THE COMMUNITY

## 4-H Helps Feed America

27 youth and parents from White Cedars, Winchester, Ridgeway and Poygan Go-Getters 4H clubs helped repackage more than a ton of Fruit O's. Really, more than 2000lbs of fruity, sugary goodness into 2lb bags. The 2 pound bags are distributed to food pantries throughout central and northern Wisconsin by Feeding America.

Feeding America provided a short tour of their impressive operations. It was a great Thanksgiving break community service project to use our hands for larger service for our community and our world.

A special THANK YOU to Chelsy Cegielski for arranging this 4-H opportunity!

## Interstate Exchange

Do you ever wonder how other 4-H work in other states? What do other 4-Hers do in 4-H? How about learning the history of an area and state? Experiencing the lifestyle and culture of another state? Would you like to travel to that state to experience first hand historical sites, lifestyle and culture? Then be able to share your knowledge and what the great state of WI has to offer. If you answered yes, then consider joining Winnebago County 4-H Interstate Exchange starting in Sept. If you are interested and still need more information, then let me know.

"Interstate Exchange isn't simply a week of travel, but involves **year-round fundraising, planning, researching, and learning**. Then repeated the following year."

Currently, our group will be traveling to Mongremonry County, PA in July. We will be fundraising to raise money to pay for our plane tickets. Stay tuned for upcoming dates to be announced: Pizza Ranch, May Horse Show, and WIHA Horse Show.

## Fall Forum

Hello everyone my name is Evan Numrich and I attended Fall Forum this year. The purpose of Fall Forum is to provide educational opportunities to inspire youth and adults to try new ideas in their communities. What you do at Fall Forum is first to go to a bunch of different sessions that are led by kids or adults that can teach us many things. This year I was able to help lead a session with a few other members

on WLC. We got to teach kids different ice breakers to then take back to their clubs. We also have one educational speaker come and talk to us. This year we had Tim Talen who talked about his history of 4-H and what he has done for many different programs. Also at Fall Forum, there's an election for the Wisconsin leadership council where youth can get elected to be a part of this elite team that leads and prepares things for Fall Forum and other 4-H activities. I got elected last year and will continue my 2 year term. But in the [ast year we had to communicate with different session leaders and contact a keynote speaker to make fall forum super amazing and fun. If you would like to attend it is for grades 7th grade and up and adults can attend as well, for more info visit 4-H online.

**Need help funding one of the many amazing 4-H Educational Experiences? The Winnebago County 4-H Leaders' Association provides sponsorships for many of these great opportunities.**

# 4-H YOUTH EXPERIENCES

## Fall Forum

Hi, I'm Emma Cegielski and I was able to go to the Fall Forum this year in Green Lake. Fall Forum is a 2 day workshop to learn new skills, meet new people, and vote for the new WLC (Wisconsin leadership committee) candidates. We started off Saturday morning with SPARKS interactive workshops where I made a light up name tag and a bird house. After that we got welcomed and introduced to the 2022-23 WLC committee as they shared presentations and slideshows about themselves. They also shared about what they do in WLC to provide to 4-H. Shortly after we got introduced to the new 2023-24 candidates. We then had lunch in the Kraft Center, and had two workshops. My first workshop was about career readiness and my second one was tips and tricks for camp counselors. Then dinner and elections for the new WLC members. We were broken into our regions and counties, where we talked about who we should vote for. We then ended the night with an ice cream social and a dance! The next morning we had the installation of the new WLC members and resignation of the outgoing members. We also had a capnote speaker, Tim Talen where he shared his story about being in 4-H and all his experiences. I would encourage all 7th-11th graders to attend Fall Forum as it was a fun way to meet new people and learn.

## Arts Camp

Arts camp is a fun camp in Upham Woods for 6th to 8th graders in October. At Arts Camp, you get to go to 5 different tracks and learn about the arts like music, crafts, photography, and communications. At these different tracks, you get to be taught by counselors and you get to do fun interactive activities.

Also at Arts camp, you get to be a part of a counselor hunt where you look all around the camp and find the counselors. Then, there's a campfire where you get to sing songs, see skits, and have a fun time. Then for older youth in High School, the counselors plan all of this. So you can be a track or cabin counselor. If you are a cabin counselor you get a group of kids that you take around to all the tracks and you get to watch and help them at the tracks. If you're a track counselor you get to come up with something to lead. I was a track counselor for the music and drama track, where I came up with an idea for kids to do skits where they get a prompt that was spy-themed which was our theme for the camp this past year. They then had to take instruments and their minds and act out their prompts in fun and silly ways. So, if you ever want to go to Arts camp as a counselor or camper I definitely recommend it.
