About County Fair

Every summer, thousands of 4-H youth participate in county fairs across the state to showcase the knowledge and skills they've gained throughout the year, and to continue their learning experiences.

The fair is a great opportunity for youth to get feedback and evaluation from registered state judges that can serve as a guide for the youth to further improve their skills. 4-Hers also have the opportunity to share their accomplishments with and educate the public about their subject. They are encouraged to lead visitors on tours of the 4-H buildings and barns as well as conduct workshops and hands-on demonstrations for the public.

County fairs not only make great memories, they help 4-H youth grow into successful adults.

Who is in charge of the County Fair?

In Winnebago County, the Fair is run by the Fair Association's Board of Directors. The Board is made up of Winnebago County residents who VOLUNTEER their time throughout the year to plan, organize, fundraise and coordinate all aspects of the County Fair. The Board is elected in December at the Fair Association's Annual Meeting (anyone who purchases a Membership as their

pass for the week of County Fair is a member of the Association and can vote for the Board). Anyone who has been a Fair Association member for one year can run for election to the board. <http://www.winnebagoountyfaironline.com/>

Department of Agriculture, Trade & Consumer

In order for a fair to receive state aid for premiums (prize money), the fair board must follow specific requirements as outlined in Chapter ATCP 160 of the Wisconsin Administrative Code, overseen by the state Department of Agriculture, Trade & Consumer Protection (DATCP). This includes the hiring of judges from a list of individuals who are registered with DATCP.

UW-Extension 4-H Youth Development

UW-Extension 4-H Youth Development staff support the Fair Board by providing educational resources to youth and adult exhibitors, consulting on best practice in regards to youth development and educational activities, and by providing communication to 4-H members. <https://winnebago.extension.wisc.edu/4h/>

Volunteers Needed!

The county fair (like 4-H events) is run by volunteers, so we do ask that exhibitors/families help do their part to make the fair possible by volunteering for the Winnebago County Fair Association which includes helping with set-up, display of exhibits and clean-up.

Many hands make light work, and an affordable fair!

Expo Building Set-Up

⇒ **Wednesday, July 24 (day) and Thursday, July 25 (evening)** Help to carry, clean, wash, and assemble various displays in Expo Building.

Judging Day Assistance/Display of Exhibits

⇒ **Monday, July 29 and Tuesday, July 30 12:30-8:00pm**

Adults and older youth volunteers can assist judges, attach ribbons, and set-up displays before and during judging. Parents of youth exhibitors can help with ribbons, recording results, carrying exhibits, and doing tasks that keeps judging moving smoothly. Exhibitors can learn a lot about their area by helping judges.

Table/Chair Crew

⇒ **Monday July 29 7:30pm—8:30pm** Help is needed to move tables and chairs to new locations for Tuesday Judging.

Pen/Stall/Cage Set-up

⇒ **Sunday, July 28:** See “Barn Exhibitors” page for scheduled times.

Dipper (4-H Food Stand) Set-Up

⇒ **Sunday, July 28 9:00am-12:00pm** Help set-up the Dipper (wash dishes/equipment, stock supplies, move equipment, etc).

Dipper Clean-Up

⇒ **Monday, August 5 9:00AM—Noon**
Help wash everything in the Dipper and pack away all equipment/supplies.

Dipper Contact: Scott Richter 920-420-4955.

Exhibit at the Fair

The **Premium Book** lists all items that can be exhibited at the Winnebago County Fair, and the premiums (monetary awards) that can be won depending on placing the exhibit receives from a judge (1st, 2nd, 3rd, 4th place).

- All **Fair Rules** can be found in the premium book, including how to prepare exhibits and exhibitor responsibilities at the fair. Please take time to read general rules and department specific rules carefully, as not following the rules can result in disqualification or a reduction in placing (1st place marked down to 2nd)

Premium Book Link: <https://bit.ly/3x9baw5>

This link will take you to our google drive where you can view, download and print Fair Rules, Department specific information and class/premium lists.

Educational Booths

Decorate an "Educational Booth" (individually or with a group), to advertise your 4-H Club, your project area or a 4-H activity you participated in. Enter your Booth in Department 35 to be judged and receive premium money.

Booths to be judged need to be set-up by 3:00 PM on Monday July 29. All other booths must be set-up by 5:00 PM on Tuesday, July 30. Booths can be set up starting Thursday, July 25. Contact winnebagocountyfair@gmail.com or 920-685-3023 if you would like to confirm what time the Expo Building will be open each day.

4-H Club Banners

If your club banner isn't currently at the Extension Office, or if you have a new banner, please drop it off at the Extension Office by **Monday, July 22**. All club banners will be displayed in the Expo Building. Remember...the Winnebago County 4-H Leaders' Association will reimburse your club up to \$100 for banner supplies.

Judging Information

Entry Tags

Why do I need entry tags? You must have an entry tag to get your exhibit judged. You will receive one entry tag for each exhibit (individual class) you entered on your entry form. The entry tag identifies each exhibit and who it belongs to. You also need the "Claim Check Report" to claim your exhibit on Sunday, August 4. If there are any mistakes on your entry tags, notify Kim Brzozowski

winnebagoountyfairquestion@gmail.com as soon as possible. If you do not have your entry tag, you will not be able to get your exhibit judged. See the Fair Premium book for information on attaching entry tags to exhibits (or for check-in of animals).

Where do I get my entry tags? Tags will be available starting at 6:00 PM, on Thursday, July 25, at the Expo Building. They can be picked up throughout the weekend during set-up and/or exhibitor meetings. Otherwise tags will be available on Monday, July 29, and Tuesday, July 30, from 12:00 Noon - 7:00 PM in the Expo Building at the fair grounds.

All tags are to be picked up by Tuesday, July 30 at 7:00 PM.

Claim Checks

A "Claim Check Report" will be included with your entry tags in your envelope. The entry numbers on your claim check report match the numbers on your entry tag. In order to pick up your exhibit on Sunday night, you need to show a building monitor your claim check report.

Release and Pick Up of Fair Exhibits

- All animals will be released on Sunday, August 4, at 4:00 PM by an announcement made by the fair office and must be removed by 7:00 PM.
- Other Exhibits are released between 4:30 - 6:00 PM on Sunday. Buildings will be locked at 7:00 PM.
- Parents and exhibitors are allowed to enter free of charge at the East Gate on County Rd. Y after 4:00 PM on Sunday, with a Claim Check Report to pick up exhibits. Claim Checks/reports must be presented.
- The State of Wisconsin provides a portion of the premium money and requires exhibits to be on display during the entire fair. If exhibits are removed prior to release time, entire State support may be withheld (which is approximately \$10,000).
- **Exhibits not claimed on Sunday, August 4, are left at the Exhibitor's own risk.** Exhibits that are not picked up on Sunday will be left at the Expo Building until 10:00 AM Monday, August 5. **Any remaining exhibits after 10AM will be recycled / repurposed.**

Judging Information

In the **Danish system of judging** all the entries in one class are brought together so the judge can compare the items to a “standard” and to the other entries. This system is typically used for animal exhibits in Winnebago County. Every entry can receive a ribbon and premium but the number of blue (1st place), red (2nd place), white (3rd place), and pink (4th place) ribbons a judge hands out in each class depends on the number in entries in the class. For example, if there are 10 entries in a class, the judge can give only 2 blue, 3 red, 2 white, and 3 pink ribbons. The judge does not have to give the maximum number in each placing depending on the quality of exhibits. In the example of 10 entries, if the judge does not feel there are any that are worthy of a blue ribbon (1st place), the judge may choose to give up to 5 red ribbons (2nd place) instead.

Face-to-face judging is used to help exhibitors learn the strengths and weaknesses of their project by talking one-on-one with the judge. Face-to-face judging is used for non-animal exhibits in Winnebago County. Exhibitors report to the judge with their exhibits at the designated time. They meet face-to-face with the judge, who learns more about the work the exhibitor put into the entry while also evaluating it. Exhibitors then receive a ribbon for the quality of the exhibit & knowledge of their project. They also receive new information they can use to do better next year. All exhibits receive a premium and ribbon. The judge does not have to follow the placing numbers of the Danish judging system.

Conference judging is a combination of face-to-face and Danish judging. In conference style judging, the exhibitors and exhibits come before the judge by Class. The judge may ask youth questions about their project and use the knowledge as well as the quality of the exhibit to place the entries according to the Danish method of placing.

Regular Judging is used in the Open Class (Adult) Division, typically for non-animal exhibits. The judge can select only one first place, one second, one third, and one fourth-place exhibit among the items in that class, depending on whether the judge feels the exhibits are worthy.

Judging Information

Blue Ribbon Youth

It is important to recognize that judging is a personal opinion and that evaluation will vary among judges. Graciously accepting constructive criticism of one's work is a life skill. Let's strive to recognize that **4-H YOUTH** are more important than **4-H projects**. A blue ribbon 4-H member with a white ribbon chicken is more desirable than a white ribbon member with a blue ribbon chicken!

The only exhibitor you should try to be better than...
is the exhibitor you were yesterday

www.showmanshippathalter.com

If you've done your best work on your project, it's disappointing not to get the rating you were expecting. Just remember – the judge's opinion is simply one person's opinion. A different judge might have given you a different placing. But even if you don't agree with the judge, it's worth paying attention to what he or she has to say about your project. You could get some great ideas for how to do even better next time.

Tips for Accepting Feedback

- Pay attention to what the judge liked instead of getting upset about what they didn't like. Even if there were some negative comments, there were probably just as many positive ones!
- Don't be nervous about face-to-face judging. Relax so you can be your friendly, natural self when the judge meets with you. And if you don't understand something they say, be sure to say so.
- Think about how you can use the judge's feedback. What can you do differently if you intend to keep working on this kind of project? What will you want to do the same way?

WINNEBAGO COUNTY FAIR

ENDLESS ADVENTURES

Winnebago County Fair

ENDLESS ADVENTURES!

FRIDAY, AUGUST 2ND, 2024

4:00 PM - 5:30 PM

WINNEBAGO COUNTY FAIRGROUNDS

Overhang Show Ring of Barn B

A goat, calf and sheep show that gives students ages 8-18 in cross categorical programming the opportunity to show an animal. All participants will receive a goody bag, ribbon, t-shirt and food. Each participant will have a youth exhibitor to help them out, teach them and guide them. This will be open to a maximum of 20 students.

IN MEMORY OF JOSH PERRY

This show is being put on in honor of a former 4-H Friends 4-H Club member Josh Perry that had Asperger's syndrome; a disorder affecting someone's ability to effectively socialize and communicate, and is a condition on the autism spectrum. Josh was a boy who had a heart of gold and found that showing dairy cattle at the county fair and spending time with animals made him the happiest kid ever. Josh passed away unexpectedly at the age of 16, Josh was an outstanding leader to so many youth around him and we are hoping to help carry on Josh's legacy throughout this event.

Call 920-685-3013 to sign up

Preparing Your Exhibits (non-animal)

- Entry Tags must be attached to your exhibit prior to being judged (except foods/vegetables—tags will be attached after judging). You may pick up entry tags beginning Thursday, July 25 at 6pm to attach them prior to arriving at the fair. Tags should be attached so that all information is visible when the project is displayed but does not cover up your exhibit.
- Some exhibits require extra information to be provided with the project (recipes, labeling of equipment/process used, etc). Please see your Department’s specific rules (in Fair Premium Book). Missing information could result in your placing being marked down (1st place to 2nd).
- Exhibits that are meant to hang on a wall should come to fair ready to hang (from a hook). This might include attaching a binder clip to photos/art/posters or attaching other materials appropriate to the project’s weight/size.

Poster Guidelines (all Departments)

- Posters must be designed on or affixed to standard poster board: 14” x 22” minimum dimension to 22” x 28” maximum dimension
- Posters may use any medium: watercolor, ink, crayon, acrylic, charcoal, oils, or collage. They must not be three-dimensional.
- Exhibitor’s name, age, club, and a brief interpretive statement should be clearly written on a 3”x5” card. Attach to back of poster in upper left corner.

What does “exhibit of” really mean?

This definition was added to the Premium Book to help answer FAQ’s:

Definition of exhibit such as “any other exhibit” or “exhibit related to”:

these terms are used to allow the exhibitor to share unique projects, knowledge, learning or experiences in a creative way (especially for items not specifically listed in the Fair Premium Book). Exhibits may be (but are not limited to) actual articles (stand alone, mounted to appropriate presentation board, displayed in case, etc.), mobile, model, poster, photo(s), drawing, chart or guide, scrapbook, digital/electronic/recorded presentation, and/or a combination of these methods. Consult your organization’s project literature or group leader for ideas.

Judging

- Non-animal judging takes place Monday, July 29, and Tuesday, July 30, from 1:00 PM - 7:00 PM in the Expo Building. See page 13 for your Department's assigned day. **You may come anytime during the judging hours, but you must be in line by 6:30 PM.** In departments with many exhibits, you will take a number to know when it is your turn to be judged.
- Animal judging takes place on specific days/times (see page 13). You will need your entry tags in order to be judged. (Tags need to be picked up from the Fair Grounds office by 7pm Tuesday, July 30). Animals should arrive at the time of judging and will go back home after judging is complete.

So Much to See & Do!

It might seem obvious that animal exhibitors must be at the fair every day to take care of their animals. But they also help with barn duty (keeping exhibits looking nice for public) and interact with fair-goers; providing education and answering questions about their project area as people walk through the barns.

While your non-animal exhibit does not need daily care like an animal does, you are still encouraged to return to the fair throughout the week to assist your club with Expo Monitoring. The purpose of expo monitoring is similar to that of barn duty—keep exhibits looking nice and to interact with fair-goers; providing education and answering questions.

We have many 4-H activities going on throughout the week...not only to create a hands-on learning experience for the public, but to provide opportunities for 4-H members to continue their learning as well. Please join us for the fun! (FYI—you will need a pass to enter the fair 7/31 - 8/4)

Pick up Exhibits

Don't lose your "Claim Check" Report that came with your entry tags. You need to bring it with you Sunday to pick up your exhibits at 4:30pm.

Award Nomination/Application

Outstanding Youth Exhibitor

BEEF, DAIRY, SHEEP, SWINE, POULTRY, GOATS, RABBITS

Any Junior Fair beef, dairy, sheep, swine, poultry, goat or rabbit exhibitor grades 9-13 as of January 1st may apply for the Outstanding Youth Exhibitor Award. The award will recognize youth who have shown exceptional involvement in the project and will be presented at this year's Winnebago County Fair. Two award winners will be named, one for each category: grades 9-10-11 (\$40) and grades 12-13 (\$40). Previous winners in the same age category not eligible consecutive years.

Any exhibitor who wishes to apply for the “**Outstanding Youth Exhibitor**” must submit the attached application which includes the following accomplishments since July 2023:

Size and scope of the project involvement	20 pts
Project activities	20 pts
Project youth leadership and/or teaching responsibilities	20 pts
Project youth awards and accomplishments	10 pts
How the exhibitor became involved with the project. Share goals of your project. How has the project impacted you? Problems or challenges encountered within the project and how you overcame them. Plans for the future.	30 pts

The information supplied in the application will be the basis for making the award. Individuals from outside the county fair association will serve as judges. The application must be postmarked by July 15th and should be sent to:

WinnebagoCountyFair@gmail.com

OR

Winnebago County Fair Association
Outstanding exhibitor
2892 Ruschfield Drive
Oshkosh, WI 54904

Decisions of the judges are final.

Award developed and coordinated by Winnebago County Fair Association.

Forms are available online at <https://winnebago.uwex.edu/4-h-youth-development> or <http://www.winnebagoountyfaironline.com/>

Further information can be gathered by contacting 920-685-3013

Whether you own or lease an animal, you will experience dedication, determination, and hard work when you participate.

There is no price tag on the life skills that youth gain while showing livestock.

Fair Set-up

The county fair (like 4-H) is run by volunteers, including year-round planning, fair set-up and clean-up, so we do ask that exhibitors/families help do their part to make the fair a positive experience for everyone, which includes helping with tasks like pen/cage set-up. Many hands make light work, and an affordable fair!

Sunday, July 28—Pen/Cage Setup & Meetings

One person from each club/group should contact the Superintendent for your animal area with the correct number of animals you are bringing to the fair prior to July 29. We need an accurate count for pen/cage set-up and to assign barn locations to clubs (exhibitors/animals are grouped by club/group).

- **Poultry** Cage Set-up 9:00 AM
- **Rabbit** Cage Set-up 9:00 AM
- **Beef/Sheep/Swine** Pen Set-up 9:00 AM, Mandatory Meeting 10:30 AM
- **Goat** Time TBD at Goat Project Meeting—Call Superintendent for info
- **Dairy** Mandatory Exhibitor Meeting at 1:00 PM
- **Horse**—Exhibitors may begin decorating stalls on Sunday according to posted barn assignments. Mandatory Safety Meeting will be held Tuesday, August 30 at 7:00 PM.

See following pages for more detailed information by animal.

Cancelling an Animal?

Please contact Kim Brzozowski at:

winnebagoountyfairquestion@gmail.com by **Monday, July 22**, if you are **not bringing** an animal(s) to the fair.

Barn Decorations

All exhibitors are encouraged to participate with their 4-H club to decorate their animal area in the barn. Decorations help the public identify 4-H groups and individual exhibitors. Including educational information about your animal/project helps teach about agriculture and farming in Winnebago County. Decorations are judged as part of the Herdsmanship contest sponsored by the Fair Association. Decorating can begin after pen/stall/cage set-up and assignments on Sunday.

Reminder as you decorate in the barns – Fire extinguishers are to be left in place. Do not block extinguishers with decorations.

ALL BARN Exhibitors

Overnight Barn Duty

Volunteers are needed for overnight barn duty from 11:00 PM– 5:00 AM. To volunteer, please contact the Fair Office at 920-685-3013s. If there are no volunteers, barn duty won't be covered that evening.

Fair Check-in

- **Animals must be brought to the fair on Tues., July 30, 12:00—6:00 PM (Except dogs, small animals, and cats).**
- **Swine 11A-2PM / Sheep 2-5PM / Beef 5-6PM**
- There will be a veterinarian on the grounds, Tuesday, July 30, for entry day.
- Superintendents will be responsible for checking animals in. If any questions or issues arise concerning an animal, the veterinarian will have the final decision.
- Read Animal Health Regulations in Premium Book available online: <http://www.winnebagoountyfaironline.com/> Make sure you know what health papers/tests are required for your animal. If you have questions—contact the Superintendent for your area (see contact info at back of book)
- You will need your FairEntry Tags to check in your animal. Entry Tags can be picked up from the Expo Building starting Thursday evening, July 25.
- **Organically Raised Animals:** If you are exhibiting animals that are raised organically, you are *required to post a sign* stating such and a number to be called in case of illness or other emergency with animals.

Care of Animals/Facilities

- Exhibitors must give personal attention to their animals at the fair. Animals are to be fed and watered daily. Animals, stalls, pens and cages should be kept clean at all times. Junior exhibitors are expected to care for and groom their animals while at the fair.
- The Fair Association will **not** be providing shavings for exhibitors to use in the animal pens/stalls. The Fair Association will provide shavings for show ring only. Please plan accordingly so your areas have adequate bedding.
- **FEED/HAY/BEDDING STORAGE:** Storage space is available under the overhang outside of the dairy and beef barns, and will be monitored for neatness. All clubs are being asked to clean up feed, hay and bedding at the end of the fair. Leaving a mess will mean there will no longer be outside storage. Please be considerate of the clean-up crew and do your part to keep the fair AFFORDABLE for all.
- Wash racks are located on the East and West sides of the restroom/shower building. Please do not leave buckets, soap, hoses, and other equipment lying around. The area is very visible to the public.
- No animals are to be walked out the West end of the barns onto the covered walkways.
- The Fair Board discourages the practice of furniture in all barns and overhangs. If you do bring your own chair/table you do so at your own risk. **NO** upholstered furniture of any kind will be allowed.
- All animal trailers will be parked on the grass area North of the open arena, same as in the past. No parking on the blacktop.

IMPORTANT UPDATES FOR DAIRY EXHIBITORS!!

Any lactating dairy cows will need to be tested for H5N1 (HPAI/bird flu) in order to be exhibited at the Winnebago County Fair. This test is a milk sample and can only be taken a week before movement. The earliest to take a sample for the Fair is July 23, 2024. If you have any questions contact your veterinarian or fair board.

NEWS RELEASE

datcp.wi.gov

Wisconsin Department of Agriculture, Trade and Consumer Protection

Wisconsin Requires Influenza A Testing Prior to Movement of Lactating Dairy Cattle to Fairs and Exhibitions

FOR IMMEDIATE RELEASE: June 11, 2024

Contact: Sam GO, Communications Director, (608) 334-0220

sam.go@wisconsin.gov

MADISON, Wis. – In an effort to prevent the spread of highly pathogenic avian influenza (HPAI) (H5N1) in dairy cattle, the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) is requiring Influenza A testing prior to movement of lactating dairy cattle to fairs or exhibitions effective beginning June 19, 2024. The U.S. Department of Agriculture (USDA) Animal and Plant Health Inspection Service (APHIS) has recommended that measures be taken to minimize the potential spread of influenza.

HPAI (H5N1) has been detected in dairy cattle in 12 states including Iowa, Michigan, and Minnesota. In addition to the USDA Federal Order that requires Influenza A testing for interstate movement of dairy cattle, today's announcement will limit the risk of commingling infected animals.

In order to move lactating dairy cattle to fairs or exhibitions within the state, producers must receive a negative test for Influenza A virus at an approved National Animal Health Laboratory Network (NAHLN) laboratory with samples collected no more than 7 days prior to movement to the fair or exhibition. This testing is available to producers at no cost through USDA APHIS at NAHLN laboratories. Producers may also apply for reimbursement of shipping and veterinary fees for collection of samples. This intrastate order requiring a negative Influenza A test prior to travelling to a show or exhibition will remain in effect until 60 days after the last detection of H5N1 in cattle herds in the United States.

Dairy producers and those working with dairy are strongly encouraged to continue practicing strict biosecurity to protect their herds. DATCP is closely monitoring HPAI (H5N1) in dairy cattle and continues to encourage producers that notice unusual clinical signs in their cattle to work with their herd veterinarian. To report herds with unexplained symptoms, veterinarians should contact DATCP at (608) 224-4872 (business hours) or (800) 943-0003 (after hours and weekends). Reports can also be emailed to datcpanimalimports@wisconsin.gov.

Notes from Dairy Superintendent

Faith Soward: faithwilliquette@gmail.com

Please read carefully—contact Linda with any questions.

Mandatory meeting for all dairy exhibitors on Sun, July 28 at 1:00 PM.

We will cover everything fair related; including Jr. Show, check-in, The Calf Corner, Small Fry's, the milk house and the Futurity Show. This meeting will be the time to get questions answered and socialize with everyone.

County Fair Rules

It is strongly recommended that all families exhibiting animals at the fair read the fair rules: 2024 Junior Fair Premium Book & Rules

Tuesday Animal Check-In

The following will be completed before a dairy animal may enter the barn.

Have all documents ready!

- Verify health certification
- Inspect animal for signs of disease, injury and/or horns
- Verify animal information/registration for exhibition class
- Health papers are required for all animals staying at the fair.
- You must have a signed health check slip from your vet, dated July 16-30.
- Please have a copy for the fair office to keep!

•Beef & Dairy Horn Rule:

In order to provide optimal safety conditions for all exhibitors and fair participants, the WCFA does not allow horns on cattle older than 6 months of age. Outgrowth from horn removal will not constitute a horn unless it is pointed and/or deemed hazardous/unsafe by the WCFA'S appointed committee

Check-in time is between noon and 6 PM.

If your trailer is not in line for check-in by 6:00 PM, your animal(s) will be sent home. No exceptions.

Dairy Exhibitors

Barn Set up & Care

- Club tying assignments will be posted by 10 AM, Sunday, July 28.
- Fans must blow West to East (Dipper to Show ring) No Exceptions.
- Any and all hay, feed and bedding will be stored under the overhang outside.

We are requiring a tarp or plastic of some sort under your hay and straw this year. We need to keep the building and the space around it in good condition. (Pallets will be available for you to keep your hay, straw and feed off the ground to be used on top of the tarps/plastic.)

- Please limit tack space furniture to camping and folding chairs
- ALL exits and walkways must always be clear/passable per Fire Code.
- Absolutely NO vehicles in the barns or parked around the barns after Tuesday, July 30th.

MILKHOUSE

- The Milk House & Clean-Up schedule will be posted on Monday, July 30th.
- Exhibitors with milking cows MUST help keep the milk house clean. You will be expected to clean up the manure when it is your turn!

AWARDS

- The County Fair Awards program begins Sunday, August 4th at 3 PM in the covered arena. (Best of Shows, Club Herbs, etc.)

Last day of Fair (Sunday, Aug. 4th)

- Animals will be released at 4:00 PM on Sunday.
- Decorations can come down at 4:30 PM. Animals must be out of barns before decorations/equipment can be moved to ensure safety (no spooked animals) and quality of exhibits. Remember the Fair is still open to the public Sunday—we want the public to be safe and exhibits to look good until release time.
- All used bedding and manure will be moved 4 feet from the walls by 5 PM.

Dairy Exhibitors

Wednesday Jr. Dairy Show

The show catalog will be available Wednesday morning at the latest.

Write your Thank-you Cards!

All class and champion winners will receive a rosette, plaque or trophy. These awards are sponsored by generous members of the community and local businesses. The post cards attached are for a short thank you note to that sponsor. Write a quick thank you and drop it off in the Thank-You card box so you don't have to worry about mailing it.

After the show clubs are required to help clean up the Show Ring. Bring wheelbarrows and shovels and multiple club members so it gets done fast!

Poultry Exhibitors

Superintendent : Wendy Good

all4goods@outlook.com / (715) 705-0210

Make sure to leave your name and number with your message.

Set-Up & Decorations

- Cage set-up is July 28, 2024 starting at 9:00am until we are finished. Exhibitors and parents are expected to help with set-up and take-down of cages as well as clean-up on Sunday after release.
- Cages will be assigned by the superintendent by noon. You are not allowed to move the club section around but their birds are allowed to be moved within the club section.
- Cage decoration is encouraged. Decorating can start as soon as club assignment is complete. No Staples of any kind can be used on the bases of the poultry cages. Large binder clips work the best and Melissa and I have a huge box of them. The bases of the cages must be covered so as to not see what's underneath. If they are on a corner they need to make sure it is covered.

Testing

- We will be setting up 2 days in July to do poultry testing. Please watch for emails from the Superintendent that will have the dates and location of these 2 testing. There is a \$5 trip fee, a \$1 per bird fee and if your birds are not banded it is a \$0.50 fee for each band that has to be put on your bird.

Fair Check-In

- Exhibitors must bring along with their birds on entry day the original and a copy for the superintendent of a certificate stating the bird or birds are NPIP, NPIP affiliate, Wisconsin Tested Flock, Wisconsin Associate Flock or Wisconsin Individual poultry test report. Without the form and a **PAPER** copy you will not be allowed to coop your birds and will be sent home to get the proper forms or will not be able to participate in the fair.
- All birds will be inspected for good health, parasites and ID bands (only individually tested birds will have ID bands.) Any bird found to have parasites will be sent home. All poultry must be in full feather and over 4 months of age.

Care of Birds

- You will need to bring shavings for your cages the first day. Cages must be cleaned and re-bedded with fresh shavings twice a day. Early mornings and later afternoon work well.
- No zip tying bowls to the cages.
- Bring enough feed for 6 days. Birds often spill their feed so having more is better. Feed can be stored under cages in a plastic sealable container.
- Bring your own feed and water dishes. Dishes can be zip tied to the cage. No wire. No tin can or cut off plastic bottles are allowed for dishes. All birds must be fed and watered twice a day.

Poultry Exhibitors

Belongings

- Make sure your name is on everything you bring in big letters.
- Sometimes items get mixed up under the cages and become lost.
- Transport cages, carriers or boxes are not allowed to be stored under your cages. Please take them home. You will need to bring them back on Sunday when birds are released.

Judging

- Judging will be Thursday, August 1 starting at 9am. Classes will follow the order listed in the premium book. Showmanship will follow the class judging.
- Exhibitors must bring birds to the table unless otherwise approved. If you have a conflict with any other Departments showing at the same time as your poultry, please see the superintendent to make arrangements for your birds to be taken to the table by the assistant or a youth leader.
- Only the Judge, Superintendent, Assistant, Clerk and Exhibitor will be at the show cages during judging and showmanship.

All Others Must Stand Back.

Parents, this is a time for you to sit back and relax. Your hard work with your child and their project is appreciated. Now, let them show off.

No sale of birds will be allowed at the fair.

There will be a "for sale" board at the front of the building for you to post birds to the public but no transactions will be allowed at the fair.

Release of Animals

- No birds will be released from the fair before 4pm on Sun, Aug 4th unless there is an emergency (will need Fair Board's approval to remove animal) or if the animal becomes sick and the fair veterinarian excuses you.
- Remember to bring your carriers back on Sunday. They can be stored under cages if there is room (Sun only) or around North side of the barn.
- Exhibitors and parents are expected to help with take down of cages as well as clean up on Sunday after release of animals.

Horse Exhibitors

A Word from the Horse Superintendent

Anna May: circlernailbrands@yahoo.com / (920) 573-0516

Assistant: Marissa Kiefer: rodeoqueen08@gmail.com

FairEntry

If you have a registered animal, it must be shown in a registered halter class.

- English and Western Type are for unregistered and grade horses **ONLY**.
- Additionally, if your horse has multiple registrations, and one of the registrations is listed in the Fair Premium Book, you must exhibit your horse in that class
- “Any Other Registered Breed” is only for horses without a class listed in the Fair Premium Book.

Barn Decorations

Exhibitors may begin decorating stalls on **Sunday, July 28th** according to posted barn assignments.

Equine Education

All projects entered as educational horse projects (i.e. Clothes Horse, Posters, Drawing, etc.) will be judged in the Expo building, beginning at **1:00 pm on Monday, July 29.**

Model Horse Exhibitors

Model Horse judging will begin **shortly after 1:00pm on Monday, July 29.** The Model Horse show will run just like a live horse show. To avoid missing a class, expect to be present throughout the show to display your exhibits as the show bill progresses. The show bill will follow the entry list in the premium book. The area will be ready for exhibitors to set up by 12:00pm

Fair Animal Check-in

Check-in for horses runs from **12:00 - 6:00pm on Tuesday, July 30.**

You must bring the following:

- **Original and Copy of Coggins** (Copy will be kept on file.)
- **Premise ID #**
- **Copy of Registration Papers** (Original not needed, but copy will be kept on file. You cannot exhibit in a registered class without papers.)

Mandatory Safety Meeting

The mandatory safety meeting will begin at **7:00pm on Tuesday, July 30.** The week's informational booklet will be handed out at this time.

Horse Exhibitors

Horse & Pony Project Requirements

To be considered a 4-H Horse & Pony member in good standing, an exhibitor must satisfactorily complete all Project requirements in the eyes of the Horse & Pony Board according to the Fair Requirements Checklist. These include

- Submit a completed Declaration Form,
- Attend two (2) county project meetings,
- Attend two (2) county-sponsored educational events
- Complete six (6) volunteer hours at a sanctioned event.

In extenuating circumstances, the Board may approve a substituted activity. Only 4-H Horse & Pony Project members in good standing will be permitted to exhibit at the State 4-H Horse Expo.

Hippology Contest

Come test your horse knowledge at the Hippology Contest! This contest is open to all 4-H members (not just Horse & Pony Project members) and parents. Contest will run from **10am to 2pm on Thurs, Aug 1st.**

Question of the Day will also take place in the horse barn each day during fair.

Stop by the horse barns for more details on both of these events.

Goat Exhibitors

Goat Superintendent:

Rachel Neuman: (920) 420-5438

All goat project members in grades 7 and higher are eligible for the Outstanding Exhibitor Award. Club leaders are responsible for submitting nominees from their club by July to the Fair Board.

Each club will be considered for the Goat Barn Herdsmanship Award, which is judged by fellow goat project members and members of the public

Set-up

The goats will be housed in Horse Barn D (end near wash rack). Pen Set-up will be on the Sunday before the Fair begins. More information will be discussed at Goat project meetings.

Decorating of pens can be done after set-up on Sunday or Monday.

- All decorating should be done by the time the animals arrive at the Fair.

Check-in

All animals are to arrive at the fairgrounds on Tuesday between noon and 6:00 PM. The goats will be checked in by the Goat Superintendent.

- All goats **MUST** be tattooed or tagged with a unique identification number. Official ID may be scrapies ear tags or tattoo, USDA button ear tag, or breed association tattoo (as long as it is unique to that animal).
- When checking in at the Fair, please present the premise ID number for your farm and also documentation that your animal has been enrolled in the Scrapies ID program through the USDA.
- Please contact Jen Frank or Rachel Neuman if you have questions about correct identification of your animal for the fair.
- A list will be made and kept in the goat area of each animal's identification number and its location.
- No intact male goats are allowed at fair.

Animal Care

- Please have a plan for bedding your animals.
- Each exhibitor should come prepared with water buckets, grain pans, adequate food and other needed equipment to take care of their goat for the duration of the Fair.
 - ⇒ Everyone does **NOT** need to bring a wheel barrow and shovel for pen cleaning; storage space may be limited and we want to keep our area neat looking. This will be discussed at pen set-up.

Goat Exhibitors

Show Information

Our goat show will take place on Thursday at 9:00 AM under the overhang in the back of Barn C.

- Proper show attire is black pants, no jeans, and a white shirt or all white clothing; dark shoes, no tennis shoes.
- Don't forget all dairy breeds and market goats should be body clipped; all others trimmed up as needed.
- Hooves should be trimmed and goats should be bathed to show their best!

The **Fun with Goats** events (obstacle course, costume class, pack goat class, driving goat, and pet goat) will be held on **Saturday at 3 pm**. The location is to be announced.

Rabbit Exhibitors

Rabbit Superintendent

Melissa Helms

melissahelms70@yahoo.com / (920) 379-4190

Pen Set-up

- Pen set-up is Sunday, July 30, from 9:00 AM until finished. Please come to help out. The more people who help the faster we will get this done.
- If you want to decorate your coops, please do so. Stay away from using paper, electric lights or fabric on the cages. You may skirt the bottoms of the coops with fabric to the floor. We do not want decorations to obstruct aisles or the view of your bunnies in their coops.

Fair Check-in

- All rabbits must be free of disease or illness. Each animal will be checked as they are brought in. Animals found to have ear mites, colds, sore hocks, etc. will be sent home.
- Do not bring bunnies under 8 weeks old or nursing mothers to the fair. The stress of being at fair and the possible hot weather could be dangerous for the animals.
- All carriers must be taken home on entry day and not brought back until Sunday after 4:00 PM at release time.

Rabbit Exhibitors

Care of Animals/Barns

- Everyone needs to bring their own feed, food and water dishes/bottles and BEDDING. Shavings can be purchased for around \$5 a bag at many feed stores or Fleet Farm. Please put extra feed in plastic containers with covers; no plastic or paper bags.
- If the weather is hot during the fair, freeze water in a plastic bottle for your rabbits. The one liter size works best for large rabbits; 20 or 24 oz. for the smaller ones. This gives each animal some relief from the heat. Each day you will need to bring in frozen bottles and take them home at night to refreeze them. You may want to freeze 2 sets of bottles per animal; that way you can use one and have another one set for the next day.
- Every exhibitor will be asked to help out with keeping our barn area clean.
- Each exhibitor will be responsible for daily pen cleaning. Please try to do this in the morning as the barn gets busier later in the day.
- You can also help out in the barn by bringing your bunny out for petting. This will give visitors a chance to pet bunnies and ask you questions. A table will be set up for this purpose. We also hope to have a play yard set up to let your animals exercise and be petted. This is a great way to promote rabbits.

Judging

Judging starts at 9:00 AM, Wednesday, July 31. Show order will be Pet Class, Breeds and Showmanship to Follow.

The 4-H Dipper Committee is busy preparing for the 2024 Winnebago County Fair and is looking forward to a fun-filled fair season for our volunteers.

We will be serving beverages and ice cream with shakes, malts, additional sundae options, and build your own floats to stand out from all the rest!

Sign up for your 2024 4-H Dipper Shifts!

The 2024 Dipper hours of operation will be:

Wednesday, 7/31/2024 - 11:00 AM to 8:00 PM
Thursday, 8/1/2024 - 11:00 AM to 8:00 PM
Friday, 8/2/2024 - 11:00 AM to 8:30 PM
Saturday, 8/3/2024 - 11:00 AM to 8:30 PM
Sunday, 8/4/2024 - 11:00 AM to 2:30 PM

We will be using [SignUp Genius](#) again to help register volunteers for shifts across the various days of the fair as well as a Dipper Prep and Clean date on Sunday, 7/28/2024 and a Dipper shutdown date on Monday, [8/5/2024](#).

Each 4-H Dipper shift will be 2 hours and should consist of 4 Adults/Older Youth (8th Grade and higher) and 4 younger youth ([Cloverbuds](#) through 7th grade). Responsibilities may vary depending on [shift](#) but we would prefer to have adults and older youth handle the cash box, scoop ice cream, make shakes and malts, and help supervise the team during the shift. Younger youth can serve drinks, take orders on the [iPAD](#), and help put toppings on the sundaes.

The opening and closing shifts will have 30 minutes of time to handle the necessary tasks to either open the dipper in the morning or [close down](#) the dipper in the evening. You will see that time as part of the shift descriptions.

Clubs can sign up for shifts but we ask that the individuals that will be working the shift sign up for their times so we can learn names and know who is coming to help us work the shifts. Remember, the idea of the signups is to add flexibility to YOUR fair schedule. Pick times that will work for you and your family or you and your club and help us out! It is a great opportunity to meet other youth and adults from around the county you may not see on a regular basis.

Please visit <https://tinyurl.com/c77mt5ez> or scan the QR code above to sign up for your Dipper shifts. If you have any questions, please ask the [office](#) or contact a member of the Dipper committee. We will be more than happy to answer any questions you may have. We look forward to working with you at the 2024 Winnebago County Fair!

4-H Fundraisers

The 4-H Dipper is a tradition that has been a part of the Winnebago County 4-H program for over 30 years when it started out as a small ice cream stand. More than 250 youth and adult volunteers work at the Dipper each year. All funds raised support Winnebago County 4-H events and activities.

In addition, the Dipper provides youth the opportunity to learn valuable business skills. Youth are trained in safe food handling procedures, customer service, time management and how to work as a team. As a result 4-H youth are more prepared to enter the work force as young adults.

What can I wear in the Dipper?

Remember, we are serving food to the public...think about how a cook or server in a restaurant might look when handling food.

- Promote your club—wear 4-H clothing if you have it!
- Please be CLEAN! For example, those of you working with animals should not wear “barn duty clothes” to serve food at the Dipper ☺
- T-shirts preferred, avoid tank tops
- Clothes in good repair, avoid rips, holes and stains
- Closed toed shoes, avoid sandals and dirt/manure
- Hat/hair nets are required when serving food—you may bring your own hat.

We follow Winnebago County Health Department Food Regulations at the Dipper: <https://www.co.winnebago.wi.us/health/divisions-program-areas/environmental-health/temporary-events>

4-H Basket Raffle

It's time to collect baskets for the 4-H Leaders' Association annual basket raffle held at the County Fair! We need the support of **ALL** 4-H clubs to make this year's raffle a success. Funds raised through the basket raffle help support 4-H in Winnebago County, including county-wide programs, trips, camps, & scholarships.

Anyone can donate a raffle basket! All clubs are encouraged to donate a theme basket(s) (bath/spa, date night, child-themed, holiday, sports, gardening, camping, birding, cooking, grilling, artist, etc).

<http://www.fundraiserhelp.com/500-silent-auction-basket-ideas.htm>

- ⇒ Don't forget to contact local businesses, home-based businesses or individuals. All are welcome to donate baskets to support 4-H!
- ⇒ Can't donate an entire basket? Individual items may also be donated & will be combined with other items or placed in baskets by the Basket Raffle Committee.

All baskets must be:

- In a container of some kind – basket, tote, bucket, cooler, etc.
- Wrapped in cellophane or a clear plastic bag. Wrapping the basket will keep things clean and help ensure that the contents stay in baskets while on display at the fairgrounds.
- Include a clearly displayed card/sign:
 - ⇒ listing items in basket and
 - ⇒ thanking any donors
- NO perishable items, alcohol or tobacco products

Baskets must be dropped off at the

Extension Office by noon on Friday, July 26th. If you need to make special arrangements regarding your basket (i.e. large items to deliver directly to the fairgrounds) please call or email Kay Lettau. (contact information listed below)

Volunteers Needed

We need volunteers to staff the raffle display table during the fair. Take a break during the Fair inside the air-conditioned Expo Building & help support our 4-H youth! **Sign up at:** <https://bit.ly/4cU5I51>

Tickets (6/\$5 or \$1/each) on sale in the Expo Building:

4-H Activities

NEW - Chalk Art Contest

Calling all artistic 4-H youth!

We will be holding a chalk art contest utilizing the large chalk boards, but with a twist...

- ◆ Artistic chalk board submissions can be completed by one youth or a small group of youth working together.
- ◆ Chalk board art should be artistic and not just be quick doodles and scribbles.

Choose from one of the following:

1. Use a positive quote and create an artistic chalk drawing to compliment it
2. Choose one favorite thing about 4-H and create an artistic chalk drawing to compliment it.

Examples

Contest Rules

- ◆ Chalk board can be picked up in the carpeted area of the Expo building beginning Monday, July 29th. The Extension office will supply chalk, chalk paint and/or chalk markers.
- ◆ Completed artwork must be brought back to the Expo Building by 4:30 PM Saturday, August 3rd.

ONE winner will be chosen. Winner will receive an AWESOME basket filled with art supplies (paints, pencils, paper, canvas, etc.)

4-H Activities

4-H Fashion Show will take place on Wednesday, July 31st at 4PM in the carpeted area of the Expo Building

Check out these Project Activities!

All 4-H groups/projects are encouraged to do “Activity Stations” at the fair to provide hands-on learning for other 4-H members and the general public. Activity Stations will take place in the carpeted area of the Expo building from 9-11 AM

- Wednesday, July 31st:** Chick Cups
- Thursday, August 1st:** Animal Headbands
- Friday, August 2nd:** Wooden Trinket Boxes

We will also have some STEM activities!

Baby chicks will be hatching once again this year at the county fair!
Hatching should begin on Wednesday.

Come Celebrate Our Youth Graduating from the 4-H program, 4-H Scholarship winners and 4-H Key Award winners!

**4-H Awards Ceremony
Sunday, August 4, 2024**

11:00 AM Expo Building - Carpeted Wing

Behavior Expectations

As a 4-H member, leader or parent your actions throughout fair not only reflect on you, but on the 4-H program overall. We expect that you are going to have fun and relax after all your hard work on your projects, teaching others or supporting your child. However, your fun shouldn't infringe on the rights of others.

4-H PLEDGE

I pledge my **HEAD** to clearer thinking,
my **HEART** to greater loyalty,
my **HANDS** to larger service,
and my **HEALTH** to better living,
for my club, my community,
my country, and my world.

4-H Members and Leaders sign a Code of Conduct in 4HOnline during enrollment annually. For example, **Youth agree to:** *

- adhere to program/facility rules, curfews, dress codes and policies
- conduct themselves in a courteous, respectful manner, use appropriate language, exhibit good sportsmanship, and be a positive role model
- comply with local, state and federal laws

Parents are expected to role model the Code of Conduct for their child.

Behavior expectations for Leaders apply whenever you're in a youth exhibit building and/or acting in your role as a 4-H Volunteer.

For example, **Volunteers agree to:** *

- not consume or be under the influence of alcohol or illegal substances
- operate motor vehicles and other equipment in a safe and reliable manner...comply with all motor vehicle related state regulations and laws.
- treat animals in a humane manner and teach program participants to provide appropriate animal care and management.

Be aware that being courteous and respectful of others is expected at all times, as you are a role model for our youth and our community. **Refer to your 4HOnline profile or contact UW-Extension for the complete list of expectations.*

Community Events There are several community events that happen at the Fair that are popular for 4-H families to participate in that are **NOT 4-H** events (Small Fry competitions, Meat Animal Sale, Kiddie Tractor Pull, etc).

UW-Extension staff have no authority over these events, event coordinators are not certified 4-H volunteers (or not working in their capacity as a 4-H volunteer). Parents should make their own decision about the risk of the activity and their family's participation in these events, just as you would with any other event you might attend in your community. **Be safe and have fun!**
