

# RAISING A THINKING CHILD

**For caregivers, educators & parents of children ages 4–8!**

**Join this evidence-based series for practical strategies to help children navigate everyday problems, build confidence, and develop skills to solve problems on their own.**

- ✓ Help kids care about and understand their feelings and those of others
- ✓ Give children skills to effectively solve their own problems
- ✓ Use fun games to help children learn problem solving skills and consider consequences

A class  
to help children  
learn **HOW** to think,  
not **WHAT** to think!

**COST:** Free (Barron, Dane, Dunn, Washburn County)  
Out of county cost: \$25.00  
12 Hour Registry Credit available

**Tuesdays September 22–  
October 27**

**9:00–10:15 AM OR  
6:00 PM –7:15 PM**

**Register by September 14**
